This board service interest form has been developed for your convenience by the MCLC Board and does not guarantee appointment to a board by Marshall County Leadership Challenge or any Appointing Authorities. The form will be placed on file within the MCLC office for a period of three (3) years. You will need to submit a new form at the end of three years for continued consideration. This form must be signed and dated to be considered for appointment to a board. This form will be available online at [www.marshallcountyleadership.com](http://www.marshallcountyleadership.com).

This is not an exhaustive list of local boards, but should be viewed as a starting point for your consideration. Additionally, each municipality has a chamber and host of other boards. The boards highlighted in yellow have indicated they have a board vacancy in 2020. We hope this helps you find your place of service.
